Overall Summary

From the 34 survey responses, it is pleasing to report that the vast majority of year 7 parents/carers note their child feels happy and safe at school, are well looked after, are taught well and make good progress, can study without distraction and are provided with good student wellbeing advice and guidance. 2 parents disagreed that their child received appropriate homework for their age. As noted above, the homework policy has recently been reviewed and a homework timetable has been put in place. 7 parents/carers noted they were not aware of their child's attendance or of the grades their child was currently working at. Following on from a discussion with the Key Stage 3 tutor team about this, students are now given conduct stickers containing information about attendance, achievement points and behaviour points once a half term to stick into their planners. The reports issued to parents/carers also include current working grades and attendance information, however tutors will make parents/carers aware of this when meeting with them at the tutor evening in September.

We appreciate that we can never afford to become complacent and the school will continue to monitor issues through our internal quality assurance procedures.

Many thanks to those parents/carers who took the time to complete the survey. Your feedback is very important to us and helps us regularly review our practice and procedures at QEII so we can provide the best educational experience for the children in our care.
