9th April 2021

Dear Parents/Carers

I hope that you have all had a good Easter and managed to have a break from work and time with family. This is just a brief message to update you in case you missed the media briefings.

School will be reopening fully, all being well, from Monday 19th April.

Next week, we will have small groups of Y11 and Y13 in school for part of the time on Tuesday-Friday and I will send out separate details about the arrangements to parents and carers of students in those year groups. For all other students, they will need to continue working from home. As some teachers will be teaching groups in school, they will not be available to deliver remote 'live' lessons to their usual classes in other years. This will cause some disruption to the usual 'routine' remote learning plans for which I apologise. Where this affects tutor time, I will ask tutors to let students know. We will endeavour to provide enough work to tide students over until we can all be together again the following week.

I sincerely hope that this will be our last lockdown and that we can get back to normal. Thank you all for all your hard work in supporting your children through this time. It is much appreciated and hopefully means that they will not have too much to catch up on when we get back to school properly.

Thank you again and stay safe.

Yours faithfully

Sue Moore
