**Overall Summary**

From the 40 survey responses, it is pleasing to report 90% or above of parents report their child is happy and well looked after at school, makes good progress and is taught well. Whilst the strong majority of parents feel their child is safe, receive valuable information about progress, and know their current working grade.

75% of parents know their child's attendance data, to increase this awareness Form Tutors have been asked to inform all pupils of their current attendance percentage.

The majority of parents noted their child received the appropriate amount of homework. The homework policy has recently been reviewed and can be found, along with the homework allocations on our school website.

74% of parents agreed the school provided good wellbeing, advice and support, with no parents disagreeing. Currently at QEII we have introduced a new listening service 'Isle Listen' to enable the students to seek pastoral support, help and guidance when needed.

9 parents noted their child had been a victim of verbal or physical bullying, with all bar 3 parents noting the situation had been handled well. There is no place for bullying at QEII High School, both staff and students work together to support this notion. The School has recently been awarded Diana Award Status and has anti-bullying ambassadors.

We appreciate that we can never afford to become complacent and the school will continue to monitor issues through our internal quality assurance procedures.

Many thanks to those parents/carers who took the time to complete the survey. Your feedback is very important to us and helps us regularly review our practice and procedures at QEII so we can provide the best educational experience for the children in our care.
