

Tell us what you think and win a prize

We'd love to know what you think of the resource you have bought.

All comments will be passed back to the authors and may be used on the website.

In no more than 50 words, please tell us what you thought of the resource you have purchased, perhaps with regards to suitability, price, practicality, format..... whatever you want.

Every three months we will award a £10 gift coupon to be used on the www.resources4drama.co.uk website to someone who has submitted a mini review.

If you have bought more than one resource, please submit a review for **each one** (submitting two reviews doubles your chances of winning the gift coupon, and so on).

If we use what you have written on the website (and we may only have space for some of it), would you like your name shown? Or initials? Or school name? (Olwen Smith, Nottingham / Chris W., Edinburgh / A. P. / Gerry North, Attingham High School)
