Dear Parents/Guardians,

Following on from such successful CSI Days, I am delighted to be able to give you more details about the next step for your child's induction to Queen Elizabeth II High School. Their Intake Day will take place on **Thursday 19th June**. This day will give all students the opportunity to experience a full day of secondary school lessons and also meet their Form Tutor and peers from our different partner primary schools. Students will need to bring a pencil case so they can complete written work during their lessons, a water bottle and be in full primary school uniform. Trainers can either be worn on the day or brought with them so that they can take part in PE activities. During the day all students will be photographed for our records and this photo will also be placed on their lunch cards for September.

Students will all eat lunch in the QEII dining hall and there will be a selection of food to choose from. The lunch cost per student is £3.00. **Please do not send the money to QEII, this needs to be handed in at your child's primary school.** If your child is bringing a packed lunch no payment is required. There will also be refreshments provided for students during their first break, these do not need to be paid for.

In terms of travelling to school, it would be advantageous if your child can take the mode of transport that they are likely to take to school in September. This will help them to experience what a full school day will be like and enable them to develop the independent skills needed for September. Bus Vannin are aware there will be extra students on the bus routes and primary students will be able to travel free on this day. Alongside this letter, please find our New Starter Information Booklet. Whole School information can also be found on our school website <https://qe2.sch.im/> We are very much looking forward to our Intake Day and welcoming everyone to QEII.

Yours faithfully,

Mrs K Sille
KS3 Director
