

Enrichment 2024 Programme

Information for Students and Parents/Carers

Introduction

This year's Enrichment activities will take place from Monday 8th to Wednesday 10th July 2024.

On Monday and Wednesday each year group will take part in their own Year activity. While on Tuesday 9th July, students in Years 7-10 will be able to participate in an activity of their choice. The range of activities available is varied so please read each activity description carefully before making your choice. You will see that some activities are free, however, there are also some that have a financial cost.

Choosing and booking your activity

It is important that parents and students read the online activity booklet together. Students should make a choice for an activity that is enjoyable, challenging and affordable for them.

After you have decided your choice, you should complete the online booking form and return no later than **Wednesday 29th May 2024**. **DO NOT BRING IN ANY MONEY AT THIS STAGE!** Once we have received your booking form we will confirm if you have been offered a place. The amount you should pay will depend on your activity and will be indicated in your confirmation email.

Please do not choose to do an activity just because your friends want to do it. Choose an activity because **YOU** want to do it. Meeting new people and making new friends is a key element of the Enrichment activities.

QEII Enrichment **2024**

Remember that friendship groups do change over time and also that if an activity is over subscribed names will be drawn at random, so there is no guarantee that you will be with friends.

Places on activities will not be arranged on a “first come, first served basis”. All of the forms will be processed.

Please note that the school reserves the right to refuse applications for off site activities for students where behaviour in school has previously been a cause for concern.

Deadline Dates

It is vital that deadlines are kept by both students and parents in order to help the smooth running of the programme. Should a situation arise where a deadline cannot be met, parents should contact the school as soon as possible to discuss the issue.

Friday 17th May 2024: Deadline for booking forms to be returned.

Friday 14th June 2024: Deadline for activity to be paid

If you have any queries about Enrichment activities please do not hesitate to contact Mrs Steriopulos (Enrichment Activities Co-ordinator) on qe2enquiries@sch.im.

The Rest is History!

The Old School House— Built around 1200AD as the first church for the settlement that grew up around Castle Rushen. Later becoming a school for boys as it is now depicted. It is the oldest roofed structure still standing on the Isle of Man today.

Castle Rushen — Castle Rushen (Manx: Cashtal Rosien) is a medieval castle located in the Isle of Man's historic capital, Castletown. The castle is amongst the best examples of medieval castles in Europe

Old House of Keys — The former home of the Manx Parliament and centre of 19th Century political life on the Isle of Man. Animated portraits of Keys members and a simulated model of Mr Speaker bring the debating chamber to life. The Secretary of the House welcomes you to join in the debates on law setting in this participatory experience.

Arrangements for Enrichment

Times

On Enrichment days the normal school day will be followed i.e. start 8.45am finish 3.15pm.

Travel to and from school

The school buses will operate at the normal times.

Travel to and from off-site activities

For most off-site activities transport will be provided either by coach, bus or school minibus. However, some activities will require taking public transport or walking to the venue. Where this is the case, notice will be given in plenty of time to make arrangements. For some activities it may be possible for students to make their own way to the venue at the beginning of the day.

Meals and Meal times

Some activities require a packed lunch. If your child normally has a free school meal a packed lunch will be provided.

The dining room will be open at the normal times during the day for snacks, hot meals and sandwiches.

School Dress

On Enrichment days students are allowed to wear appropriate casual wear.

Student Behaviour

We expect students behaviour to be of the highest order whether they are taking part in activities in school, out and about in our community or off island. Students who do not maintain the expected standard of behaviour will be withdrawn from activities. In such cases a refund will not be possible as all bookings have to be paid in advance.

Health and Safety

Now, more than ever before, we are extremely aware of the potential hazards involved with adventure activities. It can sometimes be difficult, almost impossible, to create an opportunity for adventure whilst totally eliminating all risks.

The staff involved in organising the activities have paid great attention to health and safety. Where activities take place in a potentially hazardous environment, tuition and supervision by properly qualified instructors has been arranged. In situations where teachers at the school possess appropriate qualifications, their expertise is being fully employed.

Every activity included in our Enrichment programme has been examined for health and safety and adequate staff/student ratios. As a result we can confidently offer a wide range of activities, which are within the Department of Education, Sports and Culture strict safety guidelines.

If you have any queries about any of the activities in this booklet, please do not hesitate to contact the school to discuss the matter with Mrs Steriopulos (our Educational Visits Co-ordinator) who has oversight of all risk assessments.
