Year 10 and 11 Lunch Pass Application

It is a Health and Safety requirement for us to know who is on site at any time, including lunchtimes, in case there is a fire or other emergency. Also, on occasions there have been complaints from Peel residents about the behaviour of some of the students from this School in Peel during lunchtime. Although only a very small part of the School population is involved, any complaint of this sort is unacceptable and some accurate check of those students who leave the School at lunchtimes is clearly necessary. Many of the students who leave the School premises at lunchtimes do so with parental permission, but some do not and it is essential that we can easily identify those with permission.

For these reasons we issue a pass to each student who has parental permission to leave School every lunchtime. **Please sign and return the reply slip below if you wish your son/daughter to leave School at lunchtime EVERY DAY at 12.50 pm, not returning to School before 1.55 pm.** Your child will then be issued with a pass which is valid for that academic year.

We reserve the right to issue a list of those students with lunch passes to retailers in Peel and this could include a photograph of your child.

If you think that there may be an odd occasion when your son/daughter might need to go into Peel during lunchtime then it will be sufficient to send a note to his/her form tutor on that occasion and permission will automatically be granted.

Please understand that if you want your son/daughter to leave the School premises every lunchtime, the School cannot exercise responsibility for your child.

.....
I understand that my son/daughter will be leaving the School premises EVERY lunchtime at 12.50 pm and will not return before 1.55 pm and that I am responsible for my child during this time. I also understand that my child's name and photograph will be included on any lunch pass lists issued to retailers in the Peel area.
