Dear QEII High School,

Re: School Uniform

This is to advise you that we are changing our store location for the purchase of school Uniform, the uniform will still be purchased from Top 2 Toe, but now we offer an alternative store location, based in Ramsey. We are delighted to announce that our bigger store will be stocking your school uniform, a large selection of footwear, rucksacks and even more ranges for parents to choose from.

Don't forget our website remains open 24 hours a day, 7 days a week, accessed via www.TOP2TOE.im, Online you will find a section for QEII High School uniform. This facility provides a click and collect option as well as a delivery option.

As a family run business, established for over 30 years we pride ourselves on offering a personal service, which we aim to retain. We feel that introducing an online facility whereby uniform can be delivered to the doorstep of the pupil will make parents work/life balance easier. Our sizing structure is easy to follow online, and we now offer parents a larger store to browse around to provide a better shopping experience in a relaxed and pleasant environment.

We feel all parents are covered.
