Notes on the use of the self certification form

This is not a special consideration form. It does not need to be submitted if the centre knows that the candidate was ill. This form is NOT required in the following circumstances:

- the candidate has missed a unit and can re-enter at a later date;
- the candidate was sent home ill by the centre;
- the candidate was seen to be falling ill in the centre the day before their absence;
- the centre knows of long-term medical circumstances which can lead to sudden absence;
- the candidate has a prescription or label from medication showing the date when the medicine was prescribed and the name and address of the candidate.

Where the centre can verify the circumstances, they must be stated when making an on-line special consideration application or on the special consideration form (JCQ/SC - Form 10).

This self certification form must only be used in the following circumstances:

- the candidate has missed a terminal examination or a unit which cannot be re-entered;
- the centre has no reason to suspect that this may be a fraudulent claim;
- the candidate has been attending other examinations so far without problems.

Procedure

The centre **must** complete Part A when the parent/guardian/carer telephones the centre and the surgery to say what has taken place.

The candidate/parent/guardian/carer **must** take the form to the surgery for Part B to be completed.

The parent/quardian/carer **must** complete Part C and the candidate completes Part D.

Electronic signatures <u>are not</u> permissible. All parties <u>must</u> sign the relevant section of the form by hand.

This form does not replace the special consideration form. Where an awarding body specifically requires paper forms for special consideration applications, it must be attached to the special consideration form (JCQ/SC – Form 10) relating to a missed examination in a terminal series.

Where an awarding body will only accept on-line special consideration applications, Form JCQ/ME-Form 14 must be retained on the centre's files. An awarding body may request the form for quality assurance purposes.
