## TRANSPORTATION TO AND FROM AN OFF SITE ACTIVITIES PASSENGER LETTER

Dear Parent/Guardian,

Many of our present Sixth Form have access to vehicles of their own, or their parents. Many have indicated that they wish to use them to travel to off site activities rather than use the school transport provided for them. This in turn has meant many of their peers wish to travel with them on these journeys.

The Department of Education have clear guidelines which we have to follow on this matter, due to the problems that could arise if there were any incidents.

We must have written consent from all parents/guardians that they give permission for their child to travel with a friend. Please fill in the information below and return this letter to the School Reception if you wish to give permission for your child to travel with one of their peers, driven by them.

NAME OF STUDENT .....

NAME OF PARENT/GUARDIAN.....

*I give permission for my child to travel in the vehicle of one of their peers to/from off-site school events.*
